

Purpose

The purpose of this policy is to ensure awareness of the legislative requirements that accompany the enrolment of international students. It also highlights the critical responsibilities with regard to adequate care and support of the international students. This policy will be deemed to be incorporated into each Contract of Enrolment.

Scope

Tuition fees

This policy applies to all UP Education international students. The Education Act 1989 (the Act) defines an "international student" as a person who is:

- a. Enrolled by a provider, and

A "domestic student" is defined in the Act as a person who is a New Zealand citizen, a holder of a residence class visa or a person of a class or description of persons designated as domestic students by notice in the Gazette (NB: Australian citizens, permanent residents of Australia and students from the Cook Islands, Niue or Tokelau are eligible for enrolment at UP Education as domestic students).

This policy is not intended to be a substitute for the legislative requirements and in the event of any conflict between this policy and a statute, the terms of the relevant statute will prevail. If any relevant statute is amended following the date of publication of this policy and such an amendment imposes more onerous obligations on the College then this summary and the relevant Contract of Enrolment will be deemed to be amended accordingly.

Responsibility

Implementation and operation of this policy is the responsibility of:

- Chief Executive UP Education
- Chief Financial Officer UP Education
- CEO University Pathways
- Director of Admissions and Student Services
- Principals
- International Support staff
- Deans
