WHAT DO I DO?

Morning

6:30am–11:30am
local time (approx.
12:00pm–5:00pm AEDT)

Live web conferencing sessions are with all students and are accessed via each individual unit within MyLO.

I should focus on writing comprehensive notes on the topics covered during the web conferencing session.

I should also ask questions during the live web conferencing session and engage regularly in web conferencing discussion with my peers.

Afternoon

1:30pm–5:30pm
local time (approx.
7:00pm–11:00pm AEDT)

Recorded web conferencing sessions are available and can be accessed via each individual unit within MyLO.

Self-directed learning activities are available within each individual MyLO unit to complete.

I should focus on completing the work given to me during the web conferencing sessions and accessing all self-directed learning tasks that are posted within each individual MyLO unit.

I am writing down any questions I have for my teacher, so I can attend the next live web conferencing session or one-on-one session prepared and ready to go.

I can also use this time to ask questions to my teachers via email or my peers via WeChat to help my understanding and accelerate my learning. My teacher will reply to my questions overnight.
